State Auditor's Report Shows That Assessors' Returns Are Ridiculously Low.

STATE GIVEN BLACK EYE IN MATTER OF PROPERTY

COMPARISONS OF ESTIMATED REVENUES AND DISBURSE-MENTS FOR TWO YEARS.

The state auditor, J. A. Edwards, in his report to the governor, filed yesterday, non, treasurer of the American Federasays that he is firmly convinced that the says that he is firmly convinced that the taxable property in the state of Utan is not assessed at more than one-third its actual value. In support of this he points to the fact that the United States government, through its agricultural department, in 1904—four years ago—placed the real value of property in Utah at \$487.768. 615; the total of taxable property, according to the returns of assessors in 1908 was only \$166,014,855, and this four years later than when the government made its estimates.

mates.

Mr. Edwards believes that the popular idea that property should be assessed at only 60 per cent of its value—that which does not escape assessment entirely—is a very bad thing for the state, for it gives Utah a black eye before the world, in misleading people as to the actual wealth of the state, as well as increasing the rate of taxation to an abnormal degree. DOES YOUR ADVERTISING

PAY? If it does, well and good.
But if it doesn't! If it's a draining
expense, we have something very interesting to tell you. There isn't space here, and besides we don't tell our story to everybody! But we'll tell it to you—any time you say. Phone 5419 Bell-today.

Giles-McAllister Adv. Agency,

The business man who doesn't help his business through the use of press clippings Is about five years behind his com-petitors who do. In our own bureau and through our connections we read every paper in the world every day, and can keep you informed on any subject.

INTERMOUNTAIN PRESS CLIPPING BUREAU. 232-233 Commercial Club Building. Salt Lake City, Utah. Both phones: Bell, Main 201; Ind. 302. P. O. Boxes 1274 and 1772.
